

**Nothing is more powerful than an idea whose
time has come.**

Our Motivation, Mission and Creation:

It is our ambition at Herzwirk Café & Friseur to create space for ideas, inspiration and imagination. We want to cater to all senses: Beside the culinary experience, we offer artistic and social events that help feed the soul. All within our unique concept of combining a Café with Hairdressers.

What does this include? A relaxed feel, enjoyment, creativity, simply an atmosphere to feel good.

We prepare our food and drink with love and where possible we use organic and regionally sourced products.
